"Sometimes you will never know the value of a moment until it becomes a memory".

SUMMER FUN

SUMMER TIME = FAMILY TIME

As we approach the Summer holidays it is very important to spend time with your loved ones especially with our hectic, chaotic lives and the influence of social media. So here are few ideas we have put together.

- 1.Go for a walk in the park.
- 2.Laugh, smile & chit chat.
- 3.Spend time together doing an activity.
- 4.Pray together.
- 5.Bake a cake or cook some food.

THINKING OF OTHERS

The students at The Paradise Academy prepared delicious Iftari packs for members of the community as a token of good will.

Ramadhan teaches us to appreciate the blessings of our Lord and to think of others.

VALUES OF A MUSLIM

PIETY

'And I did not create the jinn and mankind except to worship Me.' (Quran 51:56)

RESPECT

"The most beloved of Allah's servant to Allah are those with the best manners." (Bukhari)

COMPASSION

"Be merciful to others and you will receive mercy. Forgive others and Allah will forgive you." (Ahmad)

PLEASURE OF ALLAH

PARENTS – THE GIFTS OF ALLAH

Parents are the most important people in our life. They are the ones who have spent their time and energy raising a child from birth to adulthood. They have to work hard, sacrifice time with their families, and give up their own interests for the sake of their children.

The Prophet Muhammad (P.B.U.H.) has explained the status of our parents, he said, "The pleasure of the Lord is in the pleasure of the parents, and the displeasure of the Lord is in the displeasure of the parents." (Tirmidhi).

ENTERPRISE

The older students raised £425 by selling baked cakes on the last day before the Eid holidays. The money raised will be used to purchase learning resources. This project taught students how to prepare an event and how to deal with money.
